

Recorder Sale!

This year's recorder sale fundraiser has begun!

We sell the black **Angel Halo recorder**. It is specially made for student players and has traditional holes that need to be covered with fingers. It comes with the following accessories:

- ★ vinyl zippered carrying case with a hook for hanging
- ★ holder necklace
- ★ joint grease
- ★ cleaning wand
- ★ adhesive thumb spot

Cost is \$8.00 each.

Purchase of a recorder is not mandatory, but most students benefit from the purchase of their own for practice at home and playing in class.

Payment will be accepted in an envelope or bag with the order form (on the back). Please do not staple money. The preferred method of payment is exact change (Ms. Van Eaton does not keep change in her classroom) but we also accept checks (made out to Darnell ES). Envelopes/bags may be turned-in before school, after school, or during Music Class DIRECTLY to Ms. Van Eaton. Please be sure to seal the envelope.

Special note: Because learning to play the recorder correctly is important, and also a large part of the student's music grade, Ms. Van Eaton **will not** sell recorders to students until it is their time to learn to play in the classroom setting.

This fundraiser supports the Darnell Music Program.

If you have any questions, after speaking first with your child, please call Ms. Van Eaton at (702) 799-6630 or email her at vaneaam@nv.ccsd.net.

Order form is on the back.

Recorder Order Form

Student's First & Last Name: _____
